

# Outreach Holiday Market

## Suggested Donations

Donated items will be available as gifts for residents to "buy" for friends, family, or themselves. We give each resident 10 tickets to "purchase" gifts. None of the items should be expensive. They can be new, nearly new, or nice items that you already have at home. You can buy items or donate money/gift cards for purchasing items. Some little items should be bundled together as one gift (i.e. Chapstick with lotion, candy in a mug, etc.) We also need volunteers to help set up, escort the residents around, help them shop, and help wrap gifts. (And to take lots of pictures!)
